E -Resource Facility

Under the policy National Mission on Education through ICT (NMEICT) / National Knowledge Network (NKN), Ministry of Human Resource Development, Govt. of India, New Delhi has sanctioned 1 Gbps connectivity link to our University. The purpose of the scheme is to provide connectivity to academic institutions under one network, linking the Universities and other academic institutions, information Centers of higher learning and R & D institutions across the country, a vital facility having the academic significance. Scheme covers establishment of Campus to Campus connectivity and Campus LAN within the university. This network will facilitate Inter-University communication as well as easy access to Internet.

The primary aim of the NMEICT /NKN project is to provide e resources / electronic access to the literatures - cover all fields of learning, including social science, humanities, physical, chemical, biological science, mathematics etc. and academic / research community to actively participate in the process of learning, regardless of their geographical limitations. This has brought the universities at par with the best research and academic institutions in the country.

A lab having 1 Gbps leased line with 24 personal computers, Server etc. machines in Client/Server architecture have been installed at Central Library building, Chauras. The facility is now open for the faculty members, research scholars, and PG students.

Timings are 10 AM to 5 PM with lunch break 1 to 2 PM on working days.
