#### Analysis/ Action Taken by IQAC

In general, the students' feedback on teachers is Very Good (Overall Mean >4<5) in the different Schools of Study in the three campuses of the University. However, the feedback is Good (Overall Mean >3<4) for few of the departments during the academic year 2018-19.

The Head of the Departments (HoDs) have informed the faculty with comparatively low scores to improve on it.

The results of the Students' feedback was presented and discussed in the meeting of IQAC held on 24.09.2019.
