**Subject: Celebration of Chandrayaan-3's Successful Moon Landing**

**Date: August 23, 2023**

IIC, HNBGU proudly celebrated the successful landing of Chandrayaan-3 on the moon's surface today. Approximately 50 students and faculty members marked this historic occasion at the Astrophysics Planetarium at Chauras Campus, creating a proud and memorable moment for everyone involved.

We extend our heartfelt congratulations to the entire team of ISRO, including all space scientists and engineers, who have dedicated their tireless efforts to realize this monumental achievement in the history of Science, Technology, and Research in India.

Today's achievement serves as an inspiration to all our young students and aspirants, urging them to excel and contribute to nation-building. This day and this moment signify the limitless potential of human ingenuity and the boundless possibilities that lie ahead in the field of space exploration.

Let us continue to reach for the stars and push the boundaries of our knowledge, as we embark on new journeys in the realm of space and science.

We look forward to organizing more such events in the future, fostering innovation and technological advancements within our academic community.

Best regards
