Dear Sir,

With reference to the trailing e Mail on subject matter it is to inform that Hon'ble VC has desired that the issue of Toner and other items from store may be digitally accounted.

In view of above and as per the discussion in the meeting it is requested that M/s Samrath may be asked to inform the nearby organisation wherein the inventory management system is fully functional. So that a personal visit can be made by our staff at Store and Purchase section of our University, to get practical exposure and experience for using the module and for further implementation, if possible or to know challenges if any.

Thanking you,

With best regards,

Sanjay Kumar
