

University Placement & Counseling Cell

Overview

Established in the year **2006**, the University Placement & Counseling Cell of H. N. B. Garhwal University serves as a pivotal platform dedicated to shaping the career trajectories and holistic development of its students. **The primary objective of this cell is to facilitate seamless integration of students into the professional world by connecting them with renowned companies and organizations.** The cell's relentless efforts ensure that students secure placements that align with their unique skills, interests, and aspirations. Under the leadership of **Prof. Annpurna Nautiyal**, the esteemed **Vice-Chancellor and Patron of HNBGU**, the University Placement & Counseling Cell of H. N. B. Garhwal University has organized numerous on-campus, off-campus, and online placement drives, workshops, seminars, webinars, and other activities to ensure better placement opportunities for the students.

Beyond career placements, the University Placement & Counseling Cell also places significant emphasis on the personal and academic growth of its students. Recognizing that every individual possesses unique talents and potential, the cell offers comprehensive counseling services to students from all walks of life. These services encompass career counseling, academic guidance, personality development programs, and workshops aimed at nurturing the overall well-being and success of each student.

The University Placement & Counseling Cell functions with a dedicated team of experienced professionals who possess extensive knowledge of the job market and an unwavering commitment to student success. Through regular interaction with industry experts, the cell stays abreast of the latest trends and requirements in various sectors, ensuring that students receive the most up-to-date career advice and guidance.

The cell organizes a calendar of events throughout the year to provide students with ample opportunities for professional growth. These events include **career fairs, pre-placement talks, mock interviews, resume-building workshops, and mentorship programs**. The cell also maintains close relationships with alumni, inviting them to share their experiences and insights with current students.

The success stories of H. N. B. Garhwal University students are a testament to the effectiveness of the University Placement & Counseling Cell. **Over the years, numerous students have secured placements in government and non government organizations, prestigious companies across diverse industries, including finance, technology,**

tourism, consulting, healthcare, and manufacturing. The cell's commitment to student success extends beyond graduation, as it continues to provide career support and guidance to alumni throughout their professional journeys.

In recognition of its outstanding contributions, the University Placement & Counseling Cell of H. N. B. Garhwal University has received accolades and recognition from various organizations and government agencies. The cell's unwavering dedication to student success and its commitment to providing holistic counseling services have made it a beacon of excellence in the field of higher education.

Mission and Vision Statements

Mission:

Our mission is to offer robust placement opportunities and comprehensive career guidance to students, empowering them to attain professional excellence and make meaningful contributions to society. By fostering industry connections, providing personalized mentoring, and facilitating skill development, we aim to prepare students for successful careers and leadership roles. Our commitment is to support each student's journey, ensuring they are equipped with the knowledge, skills, and confidence needed to excel in their chosen fields and positively impact the world around them.

Vision:

Our vision is to be a leading university placement and counseling cell, renowned for our unwavering commitment to student success, robust industry collaborations, and holistic development. We strive to empower students with the skills and opportunities necessary for their professional growth, ensuring they are well-prepared to meet industry demands. By fostering strong partnerships with top organizations and providing comprehensive support services, we aim to create a dynamic environment that nurtures talent and drives excellence. Our dedication to continuous improvement and innovation positions us as a cornerstone of student achievement and career readiness.

Key Goals and Objectives

Facilitate Student Placements:

- Forge strategic partnerships with leading companies across diverse industries to provide ample placement opportunities for students.
- Organize comprehensive campus recruitment drives, job fairs, and industry interaction sessions to bridge the gap between academia and the professional world.
- Prepare students for the recruitment process by offering workshops on resume writing, enhancing interview skills, and practicing aptitude tests.
- Develop a dedicated placement cell equipped with resources, such as a well-maintained database of companies, to streamline the placement process.

Enhance Employability Skills:

- Conduct regular workshops, seminars, and guest lectures by industry experts to expose students to real-world scenarios and trends.
- Provide comprehensive soft skills training, including effective communication, collaborative teamwork, and impactful leadership.
- Offer a range of internships and project opportunities in collaboration with industry partners to provide practical hands-on experience.
- Establish an entrepreneurship cell to encourage and support student-led startups and innovative business ideas.

Career Counseling and Guidance:

- Offer personalized career counseling sessions to assist students in identifying their strengths, interests, and career aspirations.
- Develop and maintain a comprehensive career resource center with access to databases, books, and online tools for career planning and development.
- Provide guidance and support for students pursuing higher education, including assistance with competitive exam preparation, application processes, and scholarship opportunities.

Alumni Engagement:

- Create a robust alumni network to serve as mentors and role models for current students.
- Organize regular alumni talks, workshops, and networking events to facilitate knowledge sharing, career guidance, and professional growth opportunities.
- Establish an alumni mentorship program where experienced professionals guide and support students in their career journeys.
- Leverage the alumni network to explore internship and job opportunities, industry trends, and emerging fields.
