

Call for Minor Research Projects for Faculty Members for 2025-26

RDC, HNBGU invites applications from Faculties especially young faculties of the University from Science, Engineering and Humanities background who are actively involved in research and seeking grant for their research projects. These projects will be given for a maximum period of two years. Maximum grant for a research proposal from Science and Engineering Departments will be **Rs. 2.5 Lakh** and for Humanities Departments will be **Rs. 2.0 Lakh**.

Eligibility: All Assistant Professor, actively pursuing research in University in Science, Engineering or Humanities are eligible to apply. However, preference will be given to those Assistant Professors with good research record and who have not yet received any grant from external funding agencies.

Note 1: The upper age limit and age relaxation will be provided in accordance with the guidelines of the ANRF-SRG, Government of India. For detailed information, please visit the official website. (https://anrfonline.in/ANRF/srg_Instructions?HomePage=New)

Note 2: Applicants seeking age relaxation must attach a copy of the supporting documents along with the proposal.

Project Proposal: It should clearly mention the objectives, methodology and time lines to achieve the stipulated targets. Project should be duly forwarded by the HoD of the Department and should accompany budget breakup in different heads.

Number of Grants: 06

The Co-PI will be allowed in these projects only in case the proposal is interdisciplinary/multidisciplinary in nature. The PI will be responsible for the execution and timely completion of the project. He/She will also be responsible for the utilization of the grant as per university rules and regulations.

Received projects shall be screened and evaluated by an external expert. Based on this, the decision by RDC to provide financial assistance to any suitable project will be final and binding.

All interested applicants must submit two hard copies of their proposal in the required format (refer to Annexure-II on the website), along with supporting documents, to the Director, RDC Office. **Additionally, the original proposal in PDF format must be e-mailed to drdc.hnbgu@gmail.com latest by May 25, 2025.**

Note 1: Those who have already received the grant under this scheme need not to apply. The Co-PI (if any) will be only from the Departments of HNBGU.

Note 2: The number of spots may vary in view of the nature of research projects received and money required for the same. This change will be solely under the jurisdiction of RDC, HNBGU.

Note 3: The PI will be responsible to submit the project completion report to RDC.
