Hemvati Nandan Bahuguna

(25 April 1919 - 17 March 1989)

Hemvati Nandan Bahuguna: The Eternal Karma Yogi and Statesman

Hemvati Nandan Bahuguna, born on 25 April 1919 in *Bughani Village, Pauri Garhwal* (then United Provinces, British India), was one of the most distinguished sons of *Devbhumi Garhwal*. Hemvati Nandan Bahuguna was a visionary leader whose legacy continues to inspire the nation. A dedicated statesman and reformer, he devoted his life to building an India rooted in honesty, equality, and social justice. His political journey reflected his deep commitment to public welfare, education, and the upliftment of society, especially the people of the Garhwal region. As Chief Minister of Uttar Pradesh and later as Union Finance Minister, he displayed rare administrative acumen and a progressive outlook. His dynamic leadership helped strengthen democratic values and gave voice to the aspirations of the common people. His life remains a shining example of humility in power and courage in conviction.

Even after his passing on 17 March 1989 in *Cleveland, Ohio, USA*, his ideals of integrity, courage, and selfless service continue to influence generations. Bahuguna's contributions to Indian politics, his ethical leadership, and his emphasis on transparency remain touchstones for those striving to uphold moral values in public life.

His family carries forward his spirit of service—his son, *Vijay Bahuguna*, served as the Chief Minister of Uttarakhand, and his daughter, *Rita Bahuguna Joshi*, emerged as a distinguished leader at both state and national levels. Their dedication to governance and public welfare reflects the enduring influence of their father's vision and principles.

To honor his monumental contributions, the university proudly bears his name—Hemvati Nandan Bahuguna Garhwal University. This enduring tribute symbolizes his lifelong devotion to education, progress, and humanity, commemorating him as a true son of the soil whose life continues to illuminate the path of righteousness and nation-building.

FROM THE VICE CHANCELLOR'S DESK

It is with immense pride and satisfaction that I present the Annual Report of Hemvati Nandan Bahuguna Garhwal University for the academic year 2024–25.

As a premier institution of higher learning, the university is home to 11,508 students, offering 144 academic programs supported by 345 faculty members and 410 non-teaching staff. We are dedicated to academic excellence, quality education, innovative research, and the holistic development of our students, fostering innovation, critical thinking, and positive societal impact. Our faculty have excelled in research and innovation, publishing 604 papers in peer-reviewed journals, 178 book chapters, and 35 books, along with filing 34 patents. They also participated in over 300 training programmes across offline, online, and hybrid modes. We are proud that several colleagues were recognised by Stanford University among the world's top researchers. A notable achievement includes Dr. Anil Datt Shukla's (Dept. of Geology) Chandrayaan-3 paper published in *Nature*. Over 15 new DST-supported projects worth ₹10 crore have been launched to promote scientific excellence.

The University's co-curricular and cultural activities flourished under the Dean Student Welfare, NSS, NCC, and Sports Council. Four NCC cadets trained in Siachen for future Everest expeditions, while one NCC cadet and one NSS volunteer represented us in the Republic Day Parade. Six students excelled in Khelo India and All India sports events.

We actively participated in national campaigns, including "Ek Ped Maa Ke Naam." Under NEP 2020, from session 2025–26, students will have the option to pursue Honours or Honours with Research in their fourth year.

Significant progress has been made in academic digitisation: 72,331 degrees, 7,32,727 mark sheets, and 52,835 ABC IDs have been uploaded to NAD, with over 1,42,000 records retrieved. New skill-based programmes such as a five-year MBA and four-year ITEP have been introduced. Through the Samarth Portal, 30 modules have been implemented for admissions, finance, HR, and personnel services. An Online Degree Tracking System is now in place, and Wi-Fi connectivity has been extended to Pauri and Tehri campuses.

Our students have shown remarkable success in NET and GATE, with improved results over previous years. A Medical Coordination Cell is being established to ensure timely support through tie-ups with super-specialty hospitals and medical colleges. I also extend my appreciation to the Director and Assistant Directors, of the IQAC for their dedicated efforts in compiling this Annual Report.

As we move forward, let us reaffirm our collective resolve to contribute with dedication and integrity towards the realisation of a Viksit Bharat by 2047. May our continued efforts bring greater glory to our university and to our nation.

DEPARTMENTAL PROFILE

SCHOOL OF AGRICULTURE AND ALLIED SCIENCES

Department of Forestry and Natural Resources

In the hills, forests and people have co-existed symbiotically for ages. The life support system of this area is depending upon to forests. Due to socio-economic and cultural relationships with the forests in these hills, forests as a subject for teaching was introduced in the university at its inception (i.e., 1975-76) itself, and the Department of Forestry came into existence in the year 1975. The progress of the department has haphazardly progressed in its initial stage for a few years, but it has progressed a lot since 1987.

Among the traditional Universities, the department of Forestry of HNB Garhwal University is an exception, which offers a four-year Undergraduate Forestry Degree course with eight semesters and a two-year Postgraduate Forestry Degree course with four semesters since 2003-2004. The department also offers a research degree programme in Forestry (PhD).

Over the years, the department has developed a strong research base in key areas, including Natural Resource Management, Tree Eco-Physiology, Hill Agroforestry, Forest Ecology and Biodiversity, Conservation Ecology, Regeneration Ecology, and Tree Seed Technology. Under these thrust areas, both basic and applied research, relevant to the region, are being addressed.

The Department of Forestry is receiving continuous financial support from Indian Council of Forestry Research & Education (ICFRE), Dehradun since 1995. The important academic contribution of the department has been recognized by DST-FIST in 2007, which has further strengthened the department.

As far as the infrastructure facilities are concerned, the department has its own building with 2376.33 m² area within this area approx. 1300.00 m² area have laboratories and more the five-hectare land for field practical. Besides this the department has its own boy's hostel with 56 students' capacity. To support the teaching and research, the department have library and Internet facilities with access to latest editions of national & international forestry journal & books.

High Altitude Plant Physiology Research Centre

The High-Altitude Plant Physiology Research Centre (HAPPRC) was established in July 1979 by the University of Garhwal under section 4 of the U.P. State University Act 1973, under the leadership of its Founding Director, Prof. A.N. Purohit. The Centre offers several educational programs, including a M.Sc. course in Medicinal and Aromatic Plants, a P.G. Diploma in Entrepreneurship and Skill Development in Medicinal and Aromatic Plants, and a Ph.D. program in Plant Physiology. HAPPRC boasts well-equipped laboratories in areas such as Plant Tissue Culture, Plant Physiology and Biochemistry, Plant Biotechnology, and Microbiology. These labs are furnished with various analytical equipment, including a Digital Conductivity Meter, Plant Tissue Culture related equipment, Plant Growth Chambers, Deep Freezer, Seed Germinator, Water bath, soil thermometer, UV-Vis Double Beam Spectrophotometer, PCR machines, Refrigerated Centrifuges, Gel Documentation Units, Automatic Kjeldhal Units with all Accessories, Leaf area Meters, Flame photometers, IRGA (Infrared Gas Analyzers), Soxhlet apparatus, Oil distillation assemblies, Gas Chromatography machines, Atomic Absorption Spectroscopes with Lamps, and more. Additionally, HAPPRC operates an Alpine Research Station at Tungnath (3600m a.s.l.) and maintains a nursery at Srinagar (550m a.s.l.). Besides the Alpine Research Station, the Centre has established a Germplasm conservation site (1.0 ha.) at Baniyakund (2460 m a.s.l.) in Chopta, a herbal garden (0.2 ha.) at Pothibasa (2200 m a.s.l.), and a model nursery at Lamkundi, Kulsari (1200 m a.s.l.). These facilities, including nurseries and field demonstration sites, are equipped with polyhouses, greenhouses, and shade houses. The Alpine field station of the Centre features Open Top Chambers with all necessary accessories for climate change studies. Since its inception, the centre has focused on research related to high-altitude medicinal and aromatic plants (MAPs) and has placed significant emphasis on the conservation and domestication of these valuable species. HAPPRC has successfully developed

agro-technology for several high-value and endangered high-altitude MAP species. These technologies are then transferred to farmers to promote their cultivation. The Centre has conducted various extension and awareness programs aimed at encouraging the conservation, cultivation, and trade of MAPs. These initiatives have included organising training and awareness programs, establishing demonstration units for cultivation and conservation, disseminating scientific information through capacity-building programs, and distributing quality planting materials.

Department of Horticulture

The Department of Horticulture was established at H.N.B. Garhwal University, Srinagar (Garhwal), Uttarakhand, in 1982 with the objectives of imparting education in the field of horticulture, undertaking research activities based on regional needs, and initiating Horticultural Extension Services to the rural masses. The Department offers undergraduate, Postgraduate, and doctoral degree programmes. The undergraduate and postgraduate courses offered by the Department are four-year (8-semester) courses, as B.Sc. (Hons.) in Horticulture, and two-year (4-semester) courses, as M.Sc. (Ag) in Horticulture, respectively. The Department has also established a Horticultural Research Centre (HRC) for providing field facilities for practical training and research activities of students, and Research scholars on various horticultural aspects.

Department of Defense Strategic and Geopolitical Studies

Department is running Under Graduation (BA/BSC) since 1978, Ph.D. in Defence and Strategic Studies since 1980, Post-Graduation (MA/MSC) since 1987. This subject fulfills the aspiration of a youngster who wants to choose a career of excitement, adventure, and challenges. Since, Uttarakhand is in the Himalayan region which has two major international borders with Nepal and China. Therefore, the subject of Defence, Strategic & Geopolitical Studies plays a vital role in the National security on the abovementioned borders. This subject was offered by Garhwal University and a separate department was established in the year 1978 for UG and PG students. The department is running a research program (Ph.D.) in Defence studies for the last 45 years on various topics related to the following research areas.

Department of Geography

The department of Geography established in the year 1972. It has three campuses namely; Birla campus Srinagar and its extension to Chouras, SRT campus Tehri, and BGR campus Pauri. All the three campuses are having post- graduate and research facility in Geography.

The Geography Department conduct research within the regional frame of central Himalaya and more particularly Garhwal Himalaya covering wide range of topics i.e. Geomorphology and Environmental Management, Glacial Fluctuations and Palaeo-climatic Reconstructions, Socio-cultural aspects of the Himalayan region, Resources and Economy, Tourism, Natural Hazards and Disaster Management, Population and Healthcare issues. The department has GIS & remote Sensing Laboratory where Ph.D./M.Sc./Graduation students/scholars are trained to analyze data in spatial manner, and are utilizing the techniques in their research work. The Department has also established a separate 'Meteorological Observatory' at Chauras campus in 2007. The department is equipped with Geomorphology lab, Hydrology lab, Smart Classroom and Seminar Hall. The department induct 55 students at PG level and has more than 1000 seat in Undergraduate program. Students from various background with pan India outlook have joined the department and has enriched in the diverse learning.

Department of Biotechnology

The Department of Biotechnology (School of Life Sciences) was separated from Department of Zoology and Biotechnology on 06-03-2020. The courses being run in the department in the university campus are M.Sc. Biotechnology, Integrated 5 year M.Sc. Biotechnology and Ph.D. in Biotechnology. The department regularly updates the curricula of the courses offered and is actively engaged in imparting high-quality education using different pedagogical approaches to improve theoretical and laboratory skills in Biotechnology. The department is equipped with infrastructural facilities to undertake cutting age research in diverse area of Biotechnology as evident by regular publications in journals of national and international repute. The faculty members have been continuously receiving extramural funding from different scientific agencies for various R&D as well as training projects. Also, they update themselves by organizing and participating in seminars / workshops / symposiums / conferences and special lectures and celebrating days of National & International importance. The department has played central role in establishing the MoUs with University of Canberra, Australia and RCB, Faridabad. The department believes in social outreach of the scientific research and to that end has adopted the resolution to take the research from lab to the field.

Department of Botany and Microbiology

The department was established with the university's inception in 1973. It is well-equipped to impart teaching at both undergraduate and postgraduate levels. The department offers B.Sc., M.Sc., and PhD in Botany. Since 2006, it has also offered M.Sc. and PhD programs in Microbiology, while from 2010 onwards, it began offering B.Sc. programs. Microbiology. The department has specialised laboratories and facilities in plant systematics, algal biotechnology, mycology, cyanobiotechnology, forest ecology, palynology, and mushroom research. The department is recognised for its outstanding research in the fields of plant taxonomy, biodiversity, ecology, morphology and anatomy, physiology, seed biology, plant pathology, and ethnobotany.

Department of Environmental Science

The Department of Environmental Sciences was established in May 1994 in compliance with the order of the Hon'ble Supreme Court of India & UGC, New Delhi, under its 'Emerging Areas aimed at fostering quality teaching, research, and extension in environmental sciences. Since 2007, it has been offering an advanced P.G. Diploma in Environmental Economics (a two-semester program), and since 2010, a regular course on P.G. Diploma in Environmental Management. Additionally, the Department offers M.Sc. and Ph.D. programs in Environmental Sciences. The department actively organizes activities related to various environmental issues.

Department of Himalayan Aquatic Biodiversity

The 'Department of Himalayan Aquatic Biodiversity' was sanctioned by UGC in 2011 and became fully functional in 2017. The department is dedicated to imparting knowledge and conducting research on various facets of the Himalayan region. The idea behind the establishment of the department is to provide opportunities for eager, young minds to engage in in-depth studies and research on the exploration and conservation of aquatic biodiversity and other relevant faunal and floral diversity across the Himalayan range. Since its inception, the department has been conducting postgraduate classes. For each academic session, eleven (11) inquisitive students are selected via screening for the M.Sc. in Himalayan Aquatic Biodiversity (HAB).

The M.Sc. in Himalayan Aquatic Biodiversity aims to provide students with knowledge, skills, and expertise in various facets of aquatic biodiversity. The programme's content is designed to train human resources in aquatic ecology, water quality assessment, conservation biology, and the sustainable use of aquatic resources. The department has a well-equipped laboratory for conducting experiments in accordance with the course requirements. Along with a rigorous course curriculum, a variety of extracurricular activities are regularly conducted to raise awareness among students about several aspects of conservation and the sustainable use of biodiversity. The department also provides opportunities for a PhD in various aspects of aquatic biodiversity and water resource management.

Department of Zoology

Established in 1962 at Birla Degree College, Srinagar, the Department of Zoology offers B.Sc., M.Sc., and PhD programmes in Zoology. Over the years, the department has developed a solid research base in the areas of Freshwater Ecology, Fishery Science, Drosophila Taxonomy, Reproductive Biology, Endocrinology, and Behavioural Biology. The department has been recognised by the UGC under SAP & COSIST, DST-FIST, and DBT-HRD. So far, more than 130 candidates have been awarded PhD degrees in Zoology, 43 in Biotechnology, and 03 D.Sc. degrees. The faculty members have completed 11 research projects and have published over 600 research papers, in addition to receiving numerous recognitions and awards.

SCHOOL OF SCIENCE

Department of Chemistry

The Department of Chemistry, established in 1973 across all campuses, offers B.Sc., M.Sc., and Ph.D. courses, with new specialization courses such as M.Sc. Physical and Inorganic Chemistry initiated since 2022. It has successfully completed over 20 research projects, currently running 5 projects, and published numerous peer-reviewed research papers in different International and National journals. Research activities in the Department are mainly focused on the chemical analysis of the medicinal plants of the Himalayan region, isolation and characterization of biologically active molecules with synthetic investigations. Some of these research areas include Natural Products, Organic Synthesis, Nanoscience, Sensors, Photochemistry, Photophysics, Functional Nanomaterials for Renewable Energy and Clean Water Generation and Wastewater Treatment, etc. The department has completed UGC SAP-DRS (II) in 2023 for Natural Products Chemistry. The Department of Chemistry procured various instruments for research and development activities. The major instruments are Gas Chromatography and Mass Spectrometry, UV-Visible Spectrophotometer, IR Spectrophotometer, among several others. The department has signed three MoUs; two International and one National. The department has undertaken collaborative work with international universities like the University of Manchester, UK, School of Pharmacy, University of London, UK, School of Medicinal Chemistry and Pharmacognosy, Ohio State University, School of Biomedical Sciences, University of Hiroshima, Japan, University of Missouri and Texas Tech University, USA, Technische University, Germany and University of Pavia, Italy, University of Central Florida, University of Florida, University of Connecticut, USA and some nationally reputed industries and research laboratories (FRI, Dehradun, IARI, New Delhi, GVK Biosciences Hyderabad CSIR- CDRI, Lucknow, CSIR - IIP, CSIR-CIMAP, CSIR-NBRI, CSIR- ITRC, NIPER and IISER, and Bal Pharma, Asthagiri Herbal Research Foundation.

Department of Home Science

The Department was established in 1976 at the undergraduate level and introduced a PG course in 1997. Currently, it offers UG, PG, and PhD courses across all three campuses of the University. Students study papers from five disciplines of Home Science: Food & Nutrition, Human Development, Clothing & Textiles, Family Resource Management, and Extension & Communication. The faculty's academic activities and research works have been regularly published in various journals.

Department of Mathematics

The Department of Mathematics, established in 1973, currently offers B.A./B.Sc., M.A./M.Sc., and PhD programmes. The Department has its own library at Chauras, housing approximately 800 reference books and textbooks. Recently, the Department's Board of Studies (BoS) restructured the curriculum to incorporate the latest developments in the field. Seminars and interactive sessions for research and postgraduate students are a regular feature to enhance their learning. The Department is also equipped with smart classrooms. Research activities focus on areas such as fixed-point theory and applications, computational fluid dynamics, differential geometry, fuzzy analysis, biomathematics, semigroups of operators, functional analysis, operator theory, topological dynamics, and number theory.

Department of Pharmaceutical Chemistry

The Department was established in 2007 and presently offers a two-year interdisciplinary PG course in M.Sc. Pharmaceutical Chemistry spans four semesters. Eligibility for admission requires completion of a three-year B.Sc. or B.Pharm. Program. Admission to the M.Sc. The Pharmaceutical Chemistry program is based on an entrance examination conducted by the University or merit, as per University regulations. The curriculum is tailored to provide advanced studies in drug discovery technology, therapeutics, Herbal

drug Technology, pharmaceutical analysis, quality assurance, manufacturing, processing, formulation, and regulatory compliance. Additionally, students gain insights into regulatory and quality compliance of pharmaceutical products. The course caters to those working in the industry and research laboratories, aiming to enhance their expertise in drug design, synthesis, and Herbal drug formulation, and addressing pharmacological challenges.

The Department of Pharmaceutical Sciences was established in 1996 with the introduction of four year Bachelor in Pharmacy (B.Pharm) course. Over the years, graduates have excelled in the pharmaceutical industry, academia, and research. The faculty actively engages in research, publishing in reputable National and International Journals, presenting at conferences globally, and contributing to books by both National and International publishers. They have also developed MOOCs under the SWAYAM Portal.

Department of Physics

The Department of Physics, a key unit of the School of Science since 1973, offers undergraduate (UG) and postgraduate (PG) programmes across all three campuses: Srinagar, Pauri, and Badshahi Thaul (Tehri). At the PG level, students can specialize in Electronics, Solid State Physics, Particle/Astrophysics, Laser Physics, or High Energy Physics. The Department also offers a PhD program. Faculty research focuses on areas such as Condensed Matter Physics, Materials Science, Astrophysics, Atmospheric and Space Physics, High-Energy Physics, Ultracold Atoms and Molecules, atomic physics and Quantum Optics, Radiation Protection, Nuclear Geophysics, and Nuclear Physics. Ongoing research projects, funded by SERB, DST, UGC DAE CSR, and the Ministry of Earth Science, total over ₹200 lakh. The Department signed two MOUs this year with ARIES Nainital and IITM Pune to strengthen research.

Department of Statistics

The Department of Statistics was established at the Srinagar Campus in 1978 and at the Badshahithaul Campus in 1981, initially offering undergraduate courses and introducing master 's-level courses in 2000. Since its inception, the Department has actively engaged in research in Demography, Sampling, and Operations Research. A semester system was implemented at the master's level in the 2011-12 session and at the undergraduate level in the 2015-16 session, in accordance with UGC guidelines. The National Education Policy (NEP) system was introduced from the 2022-23 session.

SCHOOL OF ENGINEERING AND TECHNOLOGY

Department of Computer Science and Engineering

The Department of Computer Science & Engineering was established in the year 2000 by the H.N.B. Garhwal University, Srinagar (Garhwal), with the approval of the State Govt. of Uttar Pradesh through the Governor's Secretariat letter no. E-319/G.S. dated 10.1.2000 under section 7.13 (x) (2) of H.N.B. Garhwal University Srinagar (Garhwal) Act.

Presently the Department of Computer Science & Engineering is running Master of Computer Application (MCA), B.Tech. (Computer Science & Engineering), M.Tech. (Computer Science & Engineering) and PhD (Computer Science and Applications) courses. MCA is a two-year full-time postgraduate course. Tech. (Computer Science & Engineering) It is a four-year full-time undergraduate course, M.Tech. (Computer Science & Engineering) It is a two-year full-time postgraduate course, and a PhD is a Research Programme in Computer Science & Applications. The Department of CSE has well equipped Computer Software and Hardware Laboratories for UG, PG and PhD Programmes. The faculty of the department is actively engaged in conducting research in the various thrust areas: Artificial Intelligence, Machine/Deep Learning, and Cloud Computing. IoT, Information Retrieval, Image Processing, Computer Vision and Ad-hoc Networks. Since a long time, the University has been imparting education in traditional fields. Computer Science has an immense scope in the modern era of Science and Technology. It forms the pillar for the advancement and progress in the field of Engineering, Science and Society.

Department of Electronics and Communication Engineering

Department of Electronics and Communication Engineering runs a 4-year undergraduate course, namely, B.Tech in Electronics and Communication Engineering. The Department has a vision to evolve so as to conduct research of high quality and to develop cutting edge electronic products and technology. With this vision the department has a mission to attain high standards of teaching and academics to train skilled engineers and researchers to serve the society in the field of Electronics and Communication Engineering.

Department of Instrumentation Engineering-USIC

The University Science Instrumentation Centre (USIC) was established in the university in 1991. Now it is named as Department of Instrumentation Engineering. Dedicated to extend an instrumentation culture, in the society, in general, and in the higher education system, in particular, the department helps the academic staff of the University and affiliated colleges in the maintenance, repair, and development of teaching aids; design and fabrication of instruments required for teaching and research; spreading instrumentation awareness; generating manpower at different levels to enable the country to face with the challenges of modern instrumentation; promoting and conducting R & D programs in instrumentation, etc. The department had been running a four year (eight semesters) B. Tech. degree course in Instrumentation Engineering, since 2000.

Facilities/Laboratories: The department of Instrumentation Engineering is also offering the major analytical instruments XRD, SEM, PE (Ferroelectric) loop tracer, Ellipsometer, ICP-MS; and Liquid Nitrogen Plant as Central facility, USIC, to the researchers.

For the B. Tech. degree program, in Electrical and Instrumentation Engineering and Instrumentation Engineering, the department has well equipped labs. The electrical, electronics, control systems, sensors and transducers, microprocessors, microcontrollers, renewable energy, intelligent instrumentation, virtual instrumentation, vacuum and thin film deposition labs, and the workshop(s) cover all the important and relevant experimental setups for the running program.

Department of Mechanical Engineering

The Department of Mechanical Engineering came into existence in the year 2011 and the first batch of mechanical engineers graduated in 2015. The department runs under School of Engineering and Technology, H.N.B Garhwal University, Srinagar-Garhwal. The Mechanical Engineering department offers 4 years undergraduate course (U.G), B.Tech in Mechanical Engineering. The Department of Mechanical Engineering promotes Ideas to Innovation (i2i) in all its sophisticated laboratory and research facilities. The department has various laboratories and workshop facilities with modern sophisticated equipments, such as CNC Turning, Sliding Wear test Rig, UTM, 3D- printer etc, to carry out research in areas related to mechanical engineering, production engineering and composite materials.

SCHOOL OF ARTS, COMMUNICATION AND LANGUAGES

Centre for Folk Performing Arts and Culture

The Centre was created in 2006 on the recommendation of the NAAC Peer Team. Prof. N. Natrajan, and Prof. S. P. Singh the then Vice Chancellors took the initiative to establish the Centre and the entire project was led by Prof. D.R. Purohit.

The Centre is one of the academic departments of the University entrusted with mission of preserving and promoting the culture and arts of the region through the schema of performing arts and theatre of the region. The Centre is also expected to raise a rich archive and library of the material concerned with regional arts. Yet another mandate of the Centre is “mediatizing the cultural heritage”.

Department of English, Modern European and other Foreign Languages

One of the oldest departments that has been extending its legacy since 1971 is the Department of English, Modern European and Other Foreign Languages. The very name of the department is testimonial to its various trajectories and dives into interdisciplinary and multi-dimensional approach towards language and literature. The courses run by the department were updated recently keeping in track with the suggestions of NEP 2020. The department provides the students an eclectic mix of courses aimed at cultivating comprehensive frameworks to establish interactive spaces amid different cultures and philosophies.

Department of Library and Information Science

The Department of Library and Information Science was established in 1997 to educate students in library and information science. Currently, it offers a one-year program (B.L.I.Sc) in Library and Information Science in self-finance mode. The goal is to train students for jobs like librarians, information officers, archivists, and knowledge managers. Many graduates from this department have found good jobs in libraries, research institutes, and other places. The university library serves as a learning lab, where students receive hands-on training with the assistance of teachers and library staff. This way, they learn both theory and practical skills. Currently, two new faculty members have been joined on the permanent post of Assistant Professor.

SCHOOL OF EDUCATION

Department of Education

The Department of Education is one of the oldest departments at HNB Garhwal (A Central) University, Uttarakhand. Since its inception in the academic year 1973-74, it has offered B.Ed. M.Ed. and PhD programmes. Further expanding its academic horizon in 2006 with the introduction of the M.A. in Education, B.Ed in Pauri Campus (Self-finance mode) and B.A B.Ed, B.Sc B.Ed and B.Com, B. Ed in 2023 at Birla Campus Srinagar Garhwal.

Early in 2024, new faculty members joined the department, and they are experts in various fields. The faculty's commitment to academic excellence is demonstrated by their continuous contribution of research articles to respected national and international journals. All departments are well-equipped with various psychological tests and tools that support the advanced study of education. Complementing this, the department boasts departmental libraries that house an extensive collection of books in both Hindi and English, catering to the needs of B.Ed. M.Ed, M.A. Education students and PhD scholars. Furthermore, the department (Birla Campus Srinagar and SRT Campus tehri) has 22 research scholars pursuing their research work under the guidance of faculty members. Following modern educational trends, the department features smart classrooms and an ICT-enabled teaching and learning hub. This integration of technology in education not only prepares future educators to deal with the contemporary digitalised world but also enhances the overall quality of instruction.

The Department of Education has forged meaningful associations with government and private schools within Srinagar, Tehri and Puri District of Uttarakhand. These corporations enrich the student-teacher experience through a practical internship program. During this phase, the student teachers gain invaluable firsthand experience by conducting remedial classes for low-achieving students and actively contributing to enhancing the teaching and learning process by distributing educational materials to the schools. Moreover, the department's faculty and students actively engage in social outreach by organizing awareness programs and rallies addressing various social issues.

Department of Naturopathy & Yoga

The Department of Naturopathy and Yoga was established on November 27, 1998, under UGC guidelines aimed at promoting yoga education, practice, and positive health within the university. Rooted in the ancient art of yoga, which emphasizes the development of a healthy mind in a healthy body, the Department seeks to train young, intelligent, and educated individuals in both the arts and sciences. Its primary objective is to foster self-control, unravel higher potentialities, and ground students in a cultural synthesis that harmonizes spiritual and scientific understanding. Recognizing yoga's significance across various cultures for both spiritual and materialistic purposes, the Department strives to blend the spiritual aspects of yoga with modern scientific principles. This approach aims to cultivate a scientific-cum-spiritual personality that addresses the needs of a diverse populace. The department offers several courses, including a B.Sc. in Yogic Science (3 years), an M.A. in Yogic Science (2 years), a P.G. Diploma in Yogic Science (1 year), a Ph.D. in Yogic Science (minimum 3 years), and a Yoga Training Programme (1 month, available only at the Extension Centre in Rishikesh). Through these programmes, the Department of Naturopathy and Yoga continues to promote holistic development and well-being, encouraging students to explore the profound connection between body, mind, and spirit.

SCHOOL OF LAW

Department of Law

The Department of Law was established in 1975. The Tehri Campus was the first among all the campuses of the Garhwal University to introduce LL.B. courses. The LL.M. program was started in the session 2006-07.

With the efforts of then Vice Chancellor Mr V. D. Bhatt, the LLB (three-year) course was introduced in 1976-77 at this constituent college of the university. Dr R.N. Gairola became the first head of the department. In 2001, the constituent colleges were declared campuses of the university by the state government. The LL.M. (two-year) self-financing course was initiated in 2006, and the PhD in Law was introduced in 2015. Following the elevation of this university to a central university on January 15, 2009, the faculties were converted into various schools. The law department is now functioning under the School of Law.

SPECIAL CELLS AND CENTRES

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance (IQAC) cell of Hemvati Nandan Bahuguna Garhwal University (HNBGU) caters to the development of a quality system for conscious, consistent and catalytic action to improve the academic and administrative performance of the University. It also promotes measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

IQAC develops and applies quality benchmarks/parameters for various academic and administrative activities of the University. It also facilitates the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process. It arranges for feedback response from students, parents and other stakeholders on quality-related institutional processes and disseminates information on various quality parameters of higher education. Essentially it documents the various programs/activities of HNBGU leading to quality improvement. IQAC acts as a nodal agency of HNBGU for coordinating quality-related activities, including adoption and dissemination of best practices. Most importantly it develops and maintain institutional database through MIS for the purpose of maintaining /enhancing the institutional quality and prepare the Annual Quality Assurance Report (AQAR) of the University based on guidelines and parameters of NAAC.

Director: Prof. Y.P. Raiwani, Department of Computer Science and Engineering

NEW EDUCATION POLICY (NEP) CELL

The implementation of the National Education Policy (NEP) 2020 has been successfully undertaken by HNB Garhwal University, beginning in the academic session 2022-23. During the session of 2024-25, the admission process adhered to UGC guidelines, utilizing the CUET and merit-based selection systems. All admitted students were registered on the Academic Bank of Credits (ABC) portal, aligning with national education reforms. Currently, the university has transitioned smoothly into the fifth semester of the four-year undergraduate (UG) program. This milestone introduces the Indian Knowledge System (IKS) as the third value-added course and six multidisciplinary skill courses: Nursery Training, Basic Yoga Practices, Physical Education/Sports Management, Folk and Culture, Indian Traditional Music, and Tour and Travel Operations. Discipline-specific and interdisciplinary courses continue as per the university's curriculum framework, with timely results for the previous semesters already declared.

RIGHT TO INFORMATION CELL (RTI-Cell)

As per the directions and provisions mentioned in the Right to Information Act-2005, the HNB Garhwal University has established a RTI Cell in April 2006. RAJBHASHA HINDI CELL

As per the directives of the Ministry of Human Resource Development, Government of India, the Ministry of Home Affairs, Government of India, the Director (Official Language), and the University Grants Commission, New Delhi, efforts are being made to promote and propagate the use of the official language, Hindi, effectively among university officials, employees, faculty heads, campus directors, and their respective offices.

The university periodically submits quarterly reports related to the use of the official language, Hindi, to the ministry. These reports include detailed information about compliance with Section 3(3) of the Official Language Act.

Accordingly, tenders, notification letters, office orders, typing, rubber stamps, letterheads, nameplates, etc., are being used bilingually (in Hindi and English). In cases where bilingual formats are not in place, instructions have been given to ensure their use in a bilingual format for the convenience of the public.

It is noteworthy that the initiatives of the Ministry of Human Resource Development are commendable, including promoting Hindi through correspondence, facilitating its fluent usage, and teaching Hindi to foreign students. These efforts help connect students across the country, fostering knowledge creation in India and establishing Hindi as a people's language in the future.

PERMANENT CELL FOR COMBATING SEXUAL HARASSMENT AND VIOLENCE AGAINST WOMEN (Internal Complaint Cell)

The Cell aims to address sexual harassment of women on campus and at the workplace. It holds regular meetings to ensure safety, organizes events on sexual harassment, and creates time-bound policies following UGC guidelines to maintain a discrimination-free environment.

- One complaint was made to ICC either by the students or staff of the university during 2024-2025.
- Celebrated International Women Day on March 8, 2025, at Yamuna Girl's Hostel, with Dr. Anuja Rawat, Dr. Sarla Saklani, and Dr. Kiran Verma providing insights and lectures on sexual harassment at the workplace to female students in various hostels.

Chairperson: Prof. Monika Gupta, Department of English

ANTI-DISCRIMINATION CELL (ADC)

Established in May 2016 with the objective to take cognizance of the matters related to students or group of students facing discrimination of any type based on caste, creed, religion, language, ethnicity, gender, disabilities, domicile etc. on or off the campus and recommend appropriate action by the competent authority. The ADC spreads awareness among students, regarding its functioning and members at the start of every academic session so as to create a harmonious teaching-learning atmosphere. Anti-discrimination cell are working for the removal of any type of cases related to caste, religion, gender etc.

Chairperson: Prof. Monika Gupta, Department of English

UNIVERSITY CAREER COUNSELING AND PLACEMENT SERVICE

The University Placement and Counseling Cell (UPCC) successfully organized various programs to enhance student employability, including personality development workshops, career guidance sessions and on-campus placement drives. These efforts have enabled students to build essential skills and connect with top recruiters.

Co-ordinator: Prof. Rakesh Dodhi

e-GOVERNANCE CELL

The e-Governance Cell was established in 2012 in the University. The cell plays a crucial role in leveraging electronic media to provide various services to students and staff at the University. It has made significant strides in enhancing the university's operational efficiency and accessibility. Following key functions carried out by the e-Governance Cell:

Online Pay Slip System:

This system allows employees to view and download their salary slips for each month. By adopting a paperless approach, it simplifies the payroll management process.

Online Examination Management System:

This system revolutionizes the examination process. It enables students to apply for end term semester/annual examinations online. Institutes and colleges can verify these applications using their respective User IDs. The system also handles the allocation of roll numbers to students and generates roll lists. Additionally, students can download their admit cards after their examination applications are verified. Examiners upload internal and external examination marks online. The data processing center then uses this information to process the results, create tabulation charts and mark sheets for internal university use. After the official declaration of results, students can download their mark sheets using their User ID and Password.

Online File Tracking System:

This system provides a streamlined approach to tracking internal correspondence files within the University. It monitors file activities, ensuring that important documents and information are efficiently managed.

Student Admission and Support:

With the use of Samarth Portal University facilitate and streamline the student admission process throughout their admission process. The overview of the key functionalities and benefits offered through the Samarth Portal:

- With the help of portal students submit their applications for admission. This digital platform simplifies the application process and minimizes paperwork.
- Detailed information regarding eligibility criteria, required documents, and admission deadlines is readily available on the portal. This transparency empowers students to understand and meet the necessary requirements for their chosen program.
- Applicants can monitor the progress of their admission applications in real-time. Updates on document verification, payment status, and other important information are accessible through the portal.
- The portal enables students to securely upload and submit necessary documents such as academic mark sheet, certificates, and identification proof, which ensures accuracy and efficiency in the verification process.

- The Samarth Portal incorporates a secure payment gateway for application fees and other related charges. This feature streamlines financial transactions, providing convenience for both applicants and the University.
- The portal serves as a centralized hub for providing guidance and support to prospective and current students. It offers resources, FAQs, and contact information for admission counselors, ensuring that students receive personalized assistance.
- After processing applications, the portal is used to publish merit lists. This transparent approach ensures fairness in the selection process and allows students to track their application status.
- Beyond admission, the portal serves as a central hub for ongoing support. Students can access relevant announcements, academic resources, and information about campus events.

Providing facility to access Degree certificates and marksheets via DigiLocker:

The e-Governance Cell collaborates with the data processing center to collect and process data. This data is then made available on the digital locker, accessible to students through the National Academic Depository. This integration with the Digilocker service, which falls under the Digital India initiative of the Ministry of Electronics and Information Technology, Government of India, enables students to easily access their grade sheets and degree certificates in a digital format.

This comprehensive suite of services provided by the e-Governance Cell underscores its commitment to modernize and streamline administrative processes at the University, ultimately benefiting both students and staff members.

Overall Coordinator (DPU, Computer Centre & e-Governance Cell): Prof. M.M.S. Rauthan, Department of Computer Science & Engineering

Coordinator e-Governance Cell: Dr. Pritam Singh Negi, Department of Computer Science & Engineering

RESEARCH AND DEVELOPMENT CELL (RDC)

The Research Degree Committee (RDC) of HNB Garhwal University has continued its active role in fostering academic excellence and a research-oriented ecosystem. THE UNIVERSITY LIBRARY SYSTEM

The HNB Garhwal University Library system was established in 1973 as a central facility to fulfill the information needs of the University's academic community. The University's Central Library was relocated to its new permanent building and began functioning in 1989. The Central Library building has a total plinth area of approximately 44,700 sq ft, including a newly separate, fully air-conditioned reading hall with a seating capacity for 150 users. The new reading hall also has a ramp facility for differently-abled users. In addition to the Central Library at the Birla Campus, a well-equipped library was established at the Chauras Campus in 2003, with a strong collection, especially in subjects like science, technology, and management. Both the Tehri and Pauri campuses of the University also have libraries with an excellent collection of learning resources. The library's main function includes the development of knowledge resources, technical processing, organization, retrieval, and dissemination of information to users. In addition to traditional services, the HNBGU Library System provides value-added services such as subject support and research support.

The Central Library, a three-storey building at the Birla Campus, has a reading facility for 350 users at a time. Apart from the Central Library, all the campuses have well-developed libraries with reasonably good facilities to cater to users' information needs. The knowledge resources available in the University system are categorized into nine collections, arranged and maintained separately:

1. Textbook Collection
2. Reference Collection
3. Periodical and Magazine Collection
4. Ph.D. Theses Collection
5. Reports and Conference Proceedings Collection
6. Donated Collection of Eminent Scholars, which includes essential manuscripts and rare documents
7. Himalayan and Uttarakhand Collection
8. Audio-Visual Collection
9. Digital and Electronic Collection

iii. HNBGU Faculty Publications

The Central Library, HNBGU, manages the Faculty Publications of HNBGU through the Indian Research Information Network System (IRINS). IRINS is a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre. The portal facilitates faculty members and scientists to collect, curate and showcase scholarly communication activities and provides an opportunity to create a scholarly network.

The Central Library, HNBGU with the help of the INFLIBNET Centre, Ahmadabad, extracted the data of HNBGU faculty members from the 'Vidhwan Database' and compiled them in one place as HNBGU Publications (<https://hnbgu.irins.org/>) as given below in image 9.

HNBGU Faculty Publications at IRINS (<https://hnbgu.irins.org/>)

iv. Library Automation

The Central Library, Srinagar and Chauras Library are fully automated. All the books of both libraries have been migrated into KOHA Integrated Library Management Software (ILMs). RFID equipment such as Self-check-in KIOSK, Book Drop Station, RFID Work Station, etc., are installed at both libraries and circulation of books (Issue/return) is being done through the RFID System.

v. Submission of Ph.D. Theses at Shodhganga Repository

HNBGU Library System is submitting all the Ph.D. Theses at the Shodhganga Repository on a regular basis. This repository is maintained by the INFLIBNET Centre, Ahmedabad, GOI. Presently, 1079 Ph.D. Theses of our university are available at the Shodhganga Repository.

vi. Digital Lab

Central Library, HNBGU has a state-of-the-art Digital Lab known as 'INFONET / Digital Library' have 28 computers for the users to access and browse e-resources subscribed by the HNBGU Library System.

vii. Library Hours

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE (USIC)

The university science instrumentation centre (USIC) is dedicated to extend an instrumentation culture in the society, in general, and in the higher education system, in particular, and to spread instrumentation awareness, to generate manpower at different levels and to promote R & D programs. The USIC is well equipped with the state-of-art facilities required for research purposes. These include X-ray Diffractometer (XRD), Scanning electron microscope with energy dispersive spectrometer (SEM-EDS), Inductive coupled plasma mass spectrometer with laser ablation system (LA-ICPMS), Spectroscopic ellipsometer, Liquid Nitrogen Plant, Ferroelectric PE Loop Tracer and Piezometer, and accessories, UV-Vis-NIR spectrophotometer, etc. It provides services to the research scholars and faculty members on nominal payment basis. Besides, the facilities are also extended to the affiliated colleges and other research institutions in the region.

COMPUTER CENTRE

The University Grants Commission had sanctioned and established the Computer Center with clearly defined aims and objectives (a) research and training, (b) in application of Computer in every field/subject in the university in the academic year 1986-1987 and Computer Centre shall work as an independent central facility providing services to all academic departments and administrative

sections / divisions of the University. Since its inception during the VII five-year plan (1986-1987), the Computer Centre has contributed significantly in developing the IT infrastructure of the University and fulfilling the computing requirement of the university. In view of the importance of technological advancement and increasing dependence on IT, university has drawn its priorities on IT infrastructure and encouraging the use of IT in the university.

IT Infrastructure provided by the Computer Centre are as follows:

NMEICT/ NKN Project:

Under the National Mission on Education through ICT (NMEICT) policy, sanctioned by the Ministry of Human Resource Development in the Government of India, New Delhi, the university has been granted a high-speed 1 Gbps connectivity link. This university consists of three campuses, all interconnected via IP. Each of these campuses is equipped with a 100 Mbps leased line, with Tehri and Pauri campuses set to activate their lines very soon. The purpose of this campus network is to facilitate inter-departmental and campus-to-campus communication, fostering effective collaboration through the 1 Gbps connectivity link. The objective of the NMEICT Project is to establish one network facilitating inter-university closed user groups, multi-disciplinary research, collaborative research with other national labs, virtual classrooms, access to data center resources, participation in global research endeavors such as LHC/ALLICE, and access to the internet and global research network.

Video Conferencing Facility: The project also offers a video conferencing facility used for meetings with organizations such as CIC, MHRD, and UGC, providing bandwidth and technical support to platforms like Swayam, MooC, and NPTEL.

Online Examination: The University provides online entrance examination facilities using its existing network. Recently, CUET online examinations were conducted using the university's IT facilities.

Wi-Fi Facilities: The University leverages its network infrastructure for online entrance examinations, including recent CUET exams. Both BCC Srinagar and Chauras campuses are fully equipped with Wi-Fi facilities. Currently, approximately 4000 users (students, faculty, and staff) access Wi-Fi in these campuses. Hostel residents enjoy 24/7 Wi-Fi access, and the university website is regularly updated using the existing Wi-Fi network to ensure it reflects the latest information.

Email Facilities: Approximately 500 users (research scholars, faculty, and staff) across all campuses utilize email facilities through ERNET with the @hnbgu.ac.in domain.

UGC-INFONET LAB

The INFONET is a significant initiative undertaken by the University Grants Commission (UGC) to bring the benefits of Information and Communication Technology (ICT) to all the Universities and Colleges in India. The primary aim of the INFONET is to provide electronic access to the literature. The connectivity will facilitate the University to communicate with the other Universities in the country, abroad and also share library resources established by the Information and Library Network (INFLIBNET).

Central Library, HNBGU has a state-of-the-art Digital Lab known as 'INFONET / Digital Library', have 25 computers with a 100 Mbps fiber line and online UPS (20KV) backups. The users, i.e., faculty members, research scholars, and students, can access and browse e-resources subscribed by the HNBGU Library System.

HNBGU Library Systems subscribed a wide range of e-resources, including 15,739 e-books from the 12 reputed publishers, 419 e-journals and 7 databases. HNBGU E-Library and Mobile App, i.e., 'mLibrary – Your Mobile Library', can also be accessed from this Digital Lab through the KNIMBUS Platform. Apart from the subscribed e-resources, open-access peer-reviewed literature, which includes 1,41,792 e-books, 2341 full-text e-journals, e-magazines, and videos, can also be accessed through the KNIMBUS Platform.

DATA PROCESSING CENTRE

Data Processing Centre was established in 2003 with the approval of university and state government. The main aim of the centre is to implement an efficient and transparent system, utilizing the state of art Information Technology resources for effective information storage, retrieval and transfer mainly related to computerization of University results, generation of mark sheet, degree etc. of the various examinations conducted by the university.

Data Processing Centre is well equipped with ICR/ OMR and high-speed Line Printers along with Digital Photocopier and Duplo Machine. A customized Application Software 'Examination Result Processing System (ERPS)' is being utilizing for processing the results of various examinations conducted by the University including printing of mark sheets, tabulation charts and degree certificates of students.

MUSEUM OF HIMALAYAN ARCHAEOLOGY AND ETHNOGRAPHY

The University Museum of Himalayan Archaeology and Ethnography was established in 1980 by late Dr. K.P. Nautiyal, former Head of Department of History & Archaeology department. In 1982, the museum was shifted to a new spacious building at Chauras Campus, enabling display of the antiquities, excavated finds and other important collection of Terracotta Art, Bronzes, Sculptures, Manuscripts, Coins, Paintings, Inscriptions and the rich ethnographic material, thus showcasing the rich heritage of Uttarakhand Himalaya.

The new building of Museum has 13 galleries spreading in ground floor with a covered area of 1000 Sq. Metre. These galleries are being temporarily used for displaying the entire collection in a larger space. It will have a separate space for office, laboratories, library, photography, drafting room, conservation and multimedia laboratories, store and lobby etc. At present the museum is displaying the prehistoric and Proto-historic materials, Terracotta art, Sculptures, Paintings, Manuscripts, and Bronzes from different archaeological sites of the region as well as ethnographic materials to showcase the life and culture of the Uttarakhand society.

Additionally, through grants received from the University over the past years, multimedia devices have been introduced to make the museum more interactive and experiential for visitors.

GOVERNMENT E-MARKETPLACE (GEM)

Government e-Marketplace (GeM) has been envisaged by Government of India as the National Procurement Portal of India. In order to shift to a more efficient procurement ecosystem, GeM has been providing a common, unified and transparent portal for procurement of goods and services exclusively for Government organizations. It covers all Government organization ranging from Defence establishments to local bodies.

DGS&D or any other agency authorized by the Government will host an online Government e-marketplace (GeM) for procurement of common use Goods and Services. The procurement of Goods and Services by Ministries or departments will be mandatory for Goods or services available in GeM. The credentials of suppliers on GeM are certified by GeM.

GeM 4.0 provides a more robust and flexible software platform and is a major step in propelling GeM to become a truly world class e-Marketplace which simplifies the complex procurement process to some extent. Decentralization is a key approach on GeM 3.0 for Buyer registration. Buyer onboarding and buyer management is decentralized. Every authorized buyer will be able to register himself online. This allows a large number of buyers to be on board and their management over their entire lifecycle on GeM.

The principle of segregation of duties is adopted while defining buyers in the system. Four types of users are involved in the process of Procurement made through GeM during financial year 2017-18.

Verifying/authenticating officer: Any officer from administration of the organization who is authorized to verify the details of primary user can be the Verifying/authenticating officer. She/He must be at the level of Under Secretary/Equivalent or above.

The Ministry of Finance, Department of Expenditure, Govt. of India has formulated and notified General Financial Rules 2017 vide its Office Memorandum, F.No.14 (3)/2015-E-II (A) dated 8th March 2017. H.N.B. Garhwal University has started online procurement of Goods through GeM from July 2017 and adopted and implemented "The General Financial Rules 2017" with the approval of Hon'ble Vice Chancellor with immediate effect vide its Circular No. HNBGU/FO/2017/304 dated 12-06-2017.

Officer-In-Charge: Dr. Sanjay Chamoli, Assistant Registrar (S&P)

GUEST HOUSE

The university maintains the following guest houses at the different campuses for the visitors:

Academic Activity Centre (AAC), Chauras Campus: Located over the right-side bank of River Alaknanda, a state-of-art facility has been set up at the Chauras campus. The AAC has well-furnished 20 AC Rooms and 06 Suites: a lounge and a dining hall with a capacity of 30 persons. It also has an AC Meeting Hall with a capacity of 40 persons is equipped with video conference, LCD Screen, 17 desk mikes and electronic podium. LAND DEVELOPMENT OF UNIVERSITY CAMPUSES

The Nodal Officer of Land Development Wing Engineer M.P. Dobhal has envisaged a unique programme named CAMPUS HORTICULTURE INITIATIVES THROUGH REFORMING ACTIVITIES [CHITRA] for the development of the Campuses and waste land as well. Under the programme CHITRA, a huge forest is being developed at Srinagar Campus with the help of Dr. Vijaykant Purohit, Senior Scientific Officer, HAPPRC. More than 2800 variety of plants have been planted on waste land and the Campuses at Srinagar and Chauras are being developed/beautified as Green Campus as per the Green Plan prepared for the purpose. Onwards from March 21, 2025 these activities have been assigned to Dr. D.K. Rana, Deptt. of Horticulture, Chauras vide office order No. Admin/2025/173 dated 21.03.2025.

DEPARTMENT OF CHEMISTRY

1	Rohit Mahar	Speaker	High-performance Liquid Chromatography: A Vital Analytical Tool for Multidisciplinary Research.	Hands-on Training on Analytical Instrumentation Techniques for Applied Research Under the Scheme of "KARYASHALA" Through Accelerate Vigyan	17-05-2024 to 23-05-2024	Department of Chemistry, HNBGU, Srinagar Garhwal, Uttarakhand
2	Rohit Mahar	Speaker	Nuclear Magnetic Resonance Spectroscopy Principle and its Qualitative and Quantitative Applications	One week Faculty Development Program	27-11-2024	School of Pharmaceutical Sciences, Chhatrapati Shahu Ji Maharaj University (Kanpur University), Uttara Pradesh
3	Rohit Mahar	Speaker	Tools for Literature Search, Writing, Data Analysis, and Citation.	Skill Development Workshop for Researchers	20-10-2024	Dr. Ambedkar Centre for Excellence, HNBGU
4	Rohit Mahar	Speaker	The opportunities in the research areas in higher education and science disciplines	Role Model Interaction and Career Counselling Workshop under Samagra Shiksha Abhiyan scheme, Government of India	11-11-2024	Govt. Girls Inter College, Srinagar Garhwal, Uttarakhand, India.
5	Rohit Mahar	Co-Chair	-	International E-Conference on Emerging Applications of Material Science and Technology (ICEAMST-2025)	14,15-02-2025	Department of Physics, BGR Campus, HNBGU and Department of Sciences, Quantum University, Roorkee
6	Rohit Mahar	Course Coordinator/ Demonstrator	Demonstration of GC-MS Instrumentation, Sample	Hands-on Training on Analytical Instrumentation	17-05-2024 to 23-05-2024	Department of Chemistry, HNBGU

			preparation, Data acquisition and analysis	Techniques for Applied Research Under the Scheme of “KARYASHALA” Through Accelerate Vigyan		
7	Rohit Mahar	Co-convenor	-	Hands-on Training on Analytical Instrumentation Techniques for Applied Research Under the Scheme of “KARYASHALA” Through Accelerate Vigyan	17-05-2024 to 23-05-2024	Department of Chemistry, HNBGU
8	P K Hota	Speaker	UV Spectroscopy: Principle and Applications	Hands-on Training on Analytical Instrumentation Techniques for Applied Research <i>Under the Scheme of</i> “KARYASHALA” Through Accelerate Vigyan	17/05/2024 to 23/05/2024	Department of Chemistry, HNBGU
9	P K Hota	Speaker	Antioxidant and biological properties of synthetic hybrid antioxidant and vegetable extracts: A comparative study	International conference on connecting ancient indian wisdom in modern contexts	11/06/2024 to 12/06/2024	Sri Dev Suman Uttarakhand University, Badshahithaul, Tehri Garhwal
10	Pawan Kumar	Course Coordinator and Demonstrator	-	Hands-on Training on Analytical Instrumentation Techniques for Applied Research Under the Scheme of “KARYASHALA” Through Accelerate Vigyan	17-05-2024 to 23-05-2024	Department of Chemistry, HNBGU
11	Sarita Gond	Participation	-	Workshop on analytical instrumentation for applied research	17 to 23 May 2024	Department of Chemistry, HNBGU
12	Sarita Gond	Participation		Future trends in catalytic organic synthesis	4th June 2024	MDPI AG -BKK
13	Sarita Gond	Participation		Recent advances in sustainable oleo polymer and their nanocomposite based anti-corrosive coatings	16 November 2024	Department of Chemistry, HBTU, Kanpur
14	Sarita Gond	Paper Presentation	A coumarin appended probe for the sequential determination of Al ³⁺ and Cu ²⁺ and its application in cell imaging”	Recent Innovations in Biomaterials and Tissue Engineering (ICRIBTE-2024),	6-7 December 2024	Department of Chemistry & International Student Affairs, HBTU, Kanpur
15	Goutam Kumar	Oral Presentation	Metal based nanoparticles: Green synthesis, characterization and their antimicrobial activities	International Conference on Advancements in Science, Engineering & Technology	27-28/09/2024	Vidya Vihar Institute of Technology, Purnea, Bihar & Global Conference Hub, Coimbatore, Tamil Nadu
16	Goutam Kumar	Poster Presentation	Green synthesis of nanomaterials for various applications	Ayurdhan 2024 - An International Conference on Harmonizing Ayurveda, Technology and Innovation for a Healthier Future	27-29/10/2024	Patanjali University, Haridwar
17	Goutam Kumar	Oral Presentation	Natural Products: Indian Traditional Medicine	Basic values Embodied in Indian Culture and their Relevance to National Reconstruction	7-8/03/2025	Department of Sanskrit & Society for Himalayan Action Research and Development
18	Goutam Kumar	Course Coordinator	Workshop	Analytical Instrumentation Techniques for Applied Research	17-23/02/2024	Chemistry Department, HNBGU
19	M.C. Purohit	Chair the session	Natural Products: Indian Traditional Medicine	National Seminar on Basic values Embodied in Indian Culture and their Relevance to National Reconstruction	7-8/03/2025	Department of Sanskrit & Society for Himalayan Action Research and Development (SHARAD)

20	Veena Joshi	Speaker	Moringa Oleifera Based Hydrogel As an Ideal Adsorbent For Drug, Dyes and Cation Uptake	National Conference On Nanotechnology: Indias Future prospects	23-24 April, 2024	Garg PG college, Laksar Haridwa , Uttarakhand
21	Subhradeep Mistry	Speaker	Utilization of Bifunctional Metal-Organic Frameworks in One-Pot Cascade Catalytic Reactions	First National Conference on Sustainable Energy, Environment, Molecules, Materials and Technology (NCSEEMMT) 2024	22nd-23rd October 2024	Doon University Dehradun
22	Subhradeep Mistry	Speaker	Role of Bifunctionality in MOFs for the One-pot Cascade Catalytic Transformations	51st National Seminar on Crystallography, 2024	November 27-29, 2024	Visvesvaraya National Institute of Technology, Nagpur
23	Subhradeep Mistry	Speaker and Chair	Design of new multifunctional MOFs for tandem catalytic reactions	International Conference on Advances in Functional Materials and Applications (AFMA-2025)	February 20 – 22, 2025	BITS Pilani, K K Birla Goa Campus

DEPARTMENT OF HOME SCIENCE

1	Laxmi D.Koundal	Participant	Attended	Health behavior of women in rural (with reference to uttarakhand)	24 March 2025	Deveshwari welfare society(DEWS) Dehradun
2	Rekha Naithani	Key Note Speaker	Traditional Methods of Food Preparation and Preservation for Food Security in Hills	Reviving Traditional Knowledge for Better Nutrition: The Power of Ancestral Foods	2nd October 2024	Department of Home Science, SRT Campus Tehri, HNBGU
3	Archana Shah	Presented paper	Sexual Harassment Through Online Dating a Challenge: Psychological Emotional Consequences and Awareness for Women Safety in India	Sexual Harassment Awareness and Prevention	21 – 22 February, 2024	Department of Home Science, Chaman Lal Mahavidyalaya, Landhaura, Haridwar
4	Rekha Naithani	Chairperson	-	Investigating the Gender Health Disparity: The Influence of Cultural Norms on Health Behaviour Wellness Outcomes	15-16 October	Department of Sociology, BGR Campus, Pauri, HNBGU

DEPARTMENT OF MATHEMATICS

1	U. S. Negi	Paper presentation	Geometry on Conformal Curvature Tensor of Kaehlerian Manifolds	31 st International conference of International Academy of Physical Sciences	20-21 Dec. 2024	Pt. Ravishankar Shukla Univ., Raipur (C.G.).
2	Shankar Lal	Speaker	Geometrical Approaches to Mathematical Model of Human Population Dynamics	Int. Conf. on Computational and Mathematical Method in Applied Sciences	25-26 April, 2025	Uttaranchal Univ. Dehradun, U.K, India

66	Nitin Sati	Paper presentation	Deciphering mechanism of flavone in breast cancer: Network pharmacological studies	International Symposium on Advances in Pharmaceutical Technologies and Medical Sciences	6th December, 2024	Kingston Imperial Institute of Technology, Dehradun.
67	Nitin Sati	Paper presentation	Deciphering mechanism of <i>T. cordifolia</i> in breast cancer: Network pharmacology and molecular modeling studies	International Conference on Innovative Advancement in Drug Discovery, Design and Development	7th December, 2024	Om Biosciences & Pharma College, Roorkee, in collaboration with APTI, IGPA, SHER, SPSR, IJPSR and IJPSDR
68	Ram Kumar Sahu	Invited Lecture	Significance of Vesicular Drug Delivery Systems: Special Reference to Liposomes and Phytosome	Adjunct Lecture	13/11/2024	School of Pharmacy, Management & Science University (MSU), Kuala Lumpur, Malaysia
69	Ram Kumar Sahu	Invited Lecture	Prevalence of Adulteration in Herbal Drugs and Different Approaches for their Assessment	Invited Lecture	17/10/2024	Faculty of Pharmacy, Airlangga University, Surabaya, Indonesia
70	Ram Kumar Sahu	Speaker	Phytosome as an Innovative Approach for Improving Therapeutic Efficacy of Herbal Medicines: A Breakthrough in Nanoscience and Technology	1st Osmotics International Symposium of Pharmaceutical and Clinical Science	27/07/2024	Faculty of Pharmacy, Institute of Kesehatan Bhakti Wiyata Kediri, Indonesia
71	Ram Kumar Sahu	Invited Lecture	Technology planning identification, evaluation & decision-making model” in School of Pharmacy	Adjunct Lecture	05/06/2024	School of Pharmacy, Management & Science University (MSU), Kuala Lumpur, Malaysia
72	Ram Kumar Sahu	Speaker	Phytosome Addressed the Bioavailability Limitation of Natural Products: A Breakthrough in Nanotechnology	e-Faculty Development Program on “Exploring Technological Advances in Pharmaceutical Education and Research	22/10/2024	Bharat Pharmaceutical Technology, Amtali, Agartala, Tripura
73	Ram Kumar Sahu	Speaker	Significance and Implementation of Intellectual Property Rights in Higher Education Institutions	USERC) sponsored National Workshop on Intellectual Property Rights: Relevance and Importance in Global Era	23/09/2024	Govt. P.G. College, Gopeshwar, Chamoli, Uttarakhand
74	Ram Kumar Sahu	Speaker	Relevance of Intellectual Property Rights in Academics and their Protection	Academic Writing Workshop	06/09/2024	Department of Education, HNBGU
75	Ram Kumar Sahu	Speaker	Entrepreneurship Possibilities in Processing of Medicinal Plants and Value-Added Food Products	Anusandhan National Research Foundation (ANRF) sponsored Training and Skill Internship (VRITIKA)	14/08/2024	Department of Pharmaceutical Sciences, HNBGU
76	Ram Kumar Sahu	Speaker	Novel Approach to Increase the Therapeutic Efficacy of Natural Products	Anusandhan National Research Foundation (ANRF) sponsored Training and Skill Internship (VRITIKA)	13/08/2024	Department of Pharmaceutical Sciences, HNBGU
77	Somesh Thapliyal	Participant	Integrating Traditional Knowledge and Modern Science: The Role of Natural Resources in Healthcare	Emerging Trends in Biotechnology and Microbiome Research	21 st to 22 nd March 2025	Research & Development Cell, Shri Guru Ram Rai University, Patel Nagar, Dehradun,
78	Somesh Thapliyal	Participant	Pharmacognostic and Phytochemical Evaluation of Cucumis Melo L.	Pharmaceuticals, Microbiology & Instinctual Property: Collaborating for Global Health Solution	10 th February, 2025	Disha Group of Institution, Dhampur
79	Somesh Thapliyal	Participant	Quality Control of Herbal Medicines	Pharmaceutical Technologies and Medical Sciences	7 th December, 2024	Kingston Pmperial Institute of Technology
80	Somesh Thapliyal	Participant	Functional Foods in Holistic Wellness	National Conference on Role of Biosciences in Integrative Medicine and Holistic Health	26 th October, 2024	Arihant College of Pharmacy, Haridwar in association with IPGA, Uttarakhand
81	Ajay G Namdeo	Keynote Speaker	Ashwagandha: Vedic treasure for holistic health	National seminar on Exploration of Immunity	25-26 April 2025	Gurukul Kangri Haridwar

				Booster Medicinal plants for prevention and control of disease: Opportunities and challenges		
82 .	Ajay G Namdeo	Guest Lecture	Standardization of herbal drugs	-	10 February 2025	Institute of Pharmacy and Paramedical Sciences, Agra
83 .	Ajay G Namdeo	Keynote Speaker	-	International conference on harmonizing Ayurveda, technology, and innovation for a healthier future	27-29 October 2024	University of Patanjali
84 .	Ajay G Namdeo	Chief Guest and speaker	FDP	Research and innovation approach for industry interaction	27 December 2024	VPS College of Pharmacy, Waksai Lonawala
85 .	Ajay G Namdeo	Invited speaker	Photonic Nanomaterials for therapeutic benefits: Promises and challenges	National Symposium,	27 July 2024	Gyanveer College Of Pharmacy, Sagar, M.P
86 .	Ajay G Namdeo	Expert lecture	An Advent application of chromatographic fingerprinting of herbal formulation	Department of Pharmacy	11-July 2024	Shri Krishna University, Chhatarpur, MP
87 .	Hemlata Bhatt	Participation	Zebra fish model in pharmacological research	Two days workshop	10-11 December 2024	CT University, Punjab, India
88 .	Hemlata Bhatt	Oral presentation	Medicinal and nutritional value of Brachiariaramosa	International conference	5-6 April 2024	School of Pharmacy and Emerging Sciences, Baddi University of Emerging Sciences and Technology, Baddi, HP
89 .	Hemlata Bhatt	Oral presentation	An overview on high altitude anti-inflammatory plants	International conference	7 December, 2024	Kingston Imperial Institute, Dehradun, Uttarakhand
90 .	Hemlata Bhatt	Oral presentation	Review on signaling in apoptosis	International conference	30 November 2024	R V Institute of Pharmacy, Bijnor and Pharmaceutical educational society (PESOTS)
91 .	Hemlata Bhatt	Oral presentation	Therapeutic importance of Plant derived flavanoids for the treatment of vitiligo	International conference	28-29 March, 2024	Bhagwati institute of pharmacy, Muzaffarnagar
92 .	Hemlata Bhatt	Oral presentation	Therapeutic role of bhasma	International conference	26-27 April, 2024	Suresh Gyan Vihar University, Jaipur, Rajasthan
93 .	Hemlata Bhatt	Oral presentation	Psoriasis and its impact on other system of the body	National conference	26 October, 2024	Arihant college of pharmacy, Bahadradab, Haridwar
94	Charan Singh	Panelist	-	Translating Pharmaceutical Innovations to Reality 2025	17-18 Jan, 2025	BITS Pilani
95	Charan Singh	Speaker	Application of nano MOFs Against Doxorubicin Induced Chemobrain in Adult Zebrafish	Application of nano MOFs Against Doxorubicin Induced Chemobrain in Adult Zebrafish	10 th to 16 th October 2024	IIT BHU
96	Charan Singh	Speaker	Enhanced Therapeutic Potential of Piperine Loaded Metal Organic Frameworks Against Doxorubicin Induced Chemobrain in Adult Zebrafish	Nerurobiological studies on zebrafish Brain Research	14 October 2024	CUSB, Bihar

SCHOOL OF ENGINEERING AND TECHNOLOGY

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

1	Om Prakash	Speaker	Futuristic Affective Computing: Challenges and Opportunities	International Conference on Electrical Facilities and Informational Technologies (ICEF 2024)	22/08/2024	Mongolian University of Science and Technology (MUST), Ulaanbaatar, Mongolia
---	------------	---------	--	--	------------	--

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

1	Kuldip Kumar	Presenter	Stability Criteria for an Uncertain Delayed Neural Network	IEEE 3 rd International Conference on Advances in Computing, Communication, and Materials (ICACCM)	22 to 23-11-2024	Tula's Institute, Dehradun
2	Arun Shekhar Bahuguna	Presenter	Optical Behavior of Synthesized PVDF/MWCNT/PSSA Flexible Nanocomposite Membrane	IEEE 3 rd International Conference on Advances in Computing, Communication, and Materials (ICACCM)	22 to 23-11-2024	Tula's Institute, Dehradun
3	Arun Shekhar Bahuguna	Presenter	Development of Conductive Polyelectrolyte Triggered Polymer Nanocomposite attached with MWCNT	International Conference on Innovation and Challenges in Computing and Innovative Technologies (ICCIT 2024)	13 to 14-12-2024	British University, Vietnam.
4	Arun Shekhar Bahuguna	Invited Talk	Existence of beta phase in PVDF based carbon nanomaterial for sensing application: A Review	Emerging Applications of Material Science and Technology (Iceamst-25)	14 to 15-02-2025	Department of Physics, BGR Campus, HNBGU with Department of Sciences, Quantum University, Roorkee & SHARAD
5	Yogendra Pratap Pundir	Presenter	Electric Field Modulation in Gate-All-Around Nanosheet Transistor	2024 International Conference on Computer, Electronics, Electrical Engineering & their Applications (IC2E3)	06 to 07-06-2024	National Institute of Technology Uttarakhand

DEPARTMENT OF INFORMATION TECHNOLOGY

1	Varun Barthwal	Participant	A Comprehensive Analysis of Grover's Search Quantum Algorithm in Qiskit Simulator	Innovation and Challenges in Computing and Innovative Technologies for a sustainable future ICCIT 2024	13-14 Dec, 2024	British University of Vietnam
---	----------------	-------------	---	--	-----------------	-------------------------------

2	Varun Barthwal	Speaker	Quantum Algorithm Implementation using Qiskit	Expert talk	27/12/2024	SR University, Warangal
3	Vinay Prasad Tamta	Co-author	Artificial Intelligence based Healthcare Knowledge Structure for Automatic Medical Report Generation	Contemporary Computing and Informatics (IC3I)	18-20 Sep,2024	Amity University, Greater Noida, Uttar Pradesh, India

DEPARTMENT OF INSTRUMENTATION ENGINEERING (USIC)

1	Prashant Thapliyal	Invited Talk	Structural and Electrical Properties of Annealed $(\text{Ta}_2\text{O}_5)_{1-x} - (\text{TiO}_2)_x$ Thin Films, $x \leq 0.11$	Emerging Applications of Material science and Technology	14 -15 Feb 25	Dept. of Physics, BGR Campus, HNBGU; Dept. of Sciences, Quantum University, Roorkee; and SHARAD
2	Vishal Rohilla	Participation	Effect of LiTaO_3 Substitution on Structural, Dielectric and Ferroelectric Properties of $[0.93(\text{Bi}_{0.5}\text{Na}_{0.5}\text{TiO}_3) - 0.07(\text{BaSn}_{0.045}\text{Ti}_{0.955}\text{O}_3)]$ ceramic	Emerging Micro/Nano-Electronics: Devices, Technology & VLSI Design	07-08 Nov 2024	Department of Electronic Science, Kurukshetra University, Kurukshetra
3	Vishal Rohilla	Participation	Structural, dielectric, ferroelectric and electromechanical properties of $0.97(\text{Bi}_{0.5}\text{Na}_{0.5}\text{TiO}_3) - 0.03(\text{SrTiO}_3)$ ceramics doped with $(\text{BaZr}_{0.2}\text{Ti}_{0.8}\text{O}_3)$	Emerging Micro/Nano-Electronics: Devices, Technology & VLSI Design	07-08 Nov 2024	Department of Electronic Science, Kurukshetra University, Kurukshetra
4	Don Biswas	Invited Talk	Structural and electrical properties of lead free $(\text{Ba}_{0.9-z}\text{Sr}_z\text{Ca}_{0.1}) (\text{Zr}_{0.1}\text{Ti}_{0.9})\text{O}_3$ ($z = 0.20$) ceramics	ICEAMST-25	14-15 Feb 2025	BGR Campus, HNBGU
5	Gambheer Singh Kathait	Invited Talk	Dielectric, piezoelectric and energy storage properties of Ca, Zr and Sn doped $(\text{Ba}_{1-x}\text{Ca}_x)(\text{Ti}_{0.85+x}\text{Zr}_{0.02}\text{Sn}_{0.13-x})\text{O}_3$ lead-free ceramics at MPB	International E-Conference on emerging applications of material science and technology (ICEAMST-2025)	15-02-2025	Dept. of Physics, BGR Campus, HNBGU, Dept. Of Sciences, Quantum Univ. and SHARAD

DEPARTMENT OF MECHANICAL ENGINEERING

1	Manoj Kumar Gupta	Paper presented	Material Handling in Smart Manufacturing System	ICDMMESD-2024	9-10 May 2024	Graphic Era University, Dehradun
