

One-Day Workshop on

Capacity building of recent Remote Sensing and GIS tools like Google Earth Engine(GEE) and QGIS

9th September , 2026

(10 am - 5 pm)

Organized by:

Department of Geography

HNB Garhwal University (A Central University),
Srinagar (Garhwal), Uttarakhand

What you'll Learn

- Fundamentals of Remote Sensing and GIS for environmental analysis
- Hands-on experience with Google Earth Engine (GEE) for cloud-based geospatial processing
- Techniques for satellite data analysis (e.g., NDVI, land use/land cover mapping)
- Practical skills in QGIS for mapping, visualization, and spatial analysis
- Understanding of community-based approaches and sustainable environmental management

Who Can Apply:

- Undergraduate (UG) Students
- Postgraduate (PG) Students
- Research Scholars
- Local NGO's
