

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

About the Department

Department of Electronics and Communication Engineering was established in 2007 under USIC (University Science and Instrumentation Center). The Department has a vision to evolve so as to conduct research of high quality and to develop cutting edge electronic products and technology. With this vision the department has a mission to attain high standards of teaching and academics to train skilled engineers and researchers to serve the society in the field of Electronics and Communication Engineering. The department has following resources available:

| S. No. | Name | Details |
|--------|------------------|--|
| 1 | Smart Class Room | UPS Supply, Podium, Speaker, Smart Board, Projector. |
| 2 | Library | Library has rich collection of approximately 2200 book titles available for the B. Tech. students. |
| 3 | Laboratory | Department has well equipped Laboratories. Some of the equipments available are as following: Computer Lab (34 Computer Systems), UPS, DC Power Supply, Digital CRO, Function Generator, Digital Multi-meter, Experimental kits for Electronic Circuits, Communications, Antenna and Microwave Laboratories, NI Elvis II, NI My Rio, NI myDAQ, FPGA Evaluation Board, DIGILENT Basys-3 Board, NI DIGILENT NEXYS A7 Board. |

Location: Left wing on Lower Ground Floor, School of Engineering and Technology Building, Chauras

Campus, H. N. B. Garhwal University.
